Harry and Pat Jordan
Senior Chapter Director
2016 District Chapter
of the Year

Welcome spring and daylight savings time. It is hard getting up in the dark but having daylight later in the evening is a good thing. It is great to see so many riders on the Tuesday and Saturday rides. We would like to see more members at our other events as well. The first three Thursdays of each month there is an event. The traffic has been horrible this year, but it should be getting back soon as the Snowbirds will be heading north, and the spring breakers will be back in school.

This past weekend six members plus our ADD attended the EWMA Florida District Rally at the Altamonte Springs Hilton. We were glad to see old friends and made some new ones. We have been told next year may be a ride in rally. Time will tell. Good job Bill and Cheryl Smith and the Florida District Team for putting on this event. We couldn't stay for the whole rally this year do to other commitments, but we wanted to attend to represent FL2G.

We will be having our annual picnic to say goodbye to our snowbirds at Wm. Franklin Locks South in Alva Sunday, March 26. We hope all will attend. The final sign-up sheet will be circulated at our monthly gathering March 25 at the Golden Corral, Ft. Myers. The sheet will require what you will bring as a side dish.

We will be looking into having some parking lot practice in the upcoming months. Watch the updates for the place and time.

Remember to ride safely, watch out for the crazies and have fun, fun, fun.

DeSiato***
**Florida District Safety/
Ride Coordinators**

April 2023

Greetings to all,

Well, the 2023 Florida District Rally has come and gone. We had a great time being with our EWMA members. A special thanks to Claudia Vega for answering any questions regarding future First Aid/CPR Classes and John Cain for coordinating the Classroom Safety Presentations conducted at the rally. Thank you to Ed Carr for leading the day rides and thanks to Carlos Lozano for leading one of the groups. The parking lot Bike Games were a lot of fun. There were 9 winners in all, participating in the different games and different riding categories. Each winner received a beautiful certificate and a \$15 Dunkin Donuts gift card. EWMA promotes more riding and informal training situations such as short classroom safety presentations and less lengthy on bike training such as parking lot practice sessions. One day formal riding courses will still be available upon request. There is no longer a Levels Program to dictate when you should take a training class. We believe in self assessment. Only you know best when you think you need a refresher class. Formal riding classes will be conducted through your local MSF (Motorcycle Safety Foundation) school. The cost of those MSF classes will be paid for by your Florida District. We just ask that if you or your Chapter wants a one day formal class that you contact Dominick & Diane to approve the cost of the class before any scheduling.

Riding in the Rain, Again

Our “cold season” is about over. We will then have a period of nice weather and then the rains will start again. There are all types of rain gear. Anything from inexpensive light weight compact outfits, such as Frogg Toggs, to very expensive full protection rain suits. It’ all a matter of personal preference: your budget, amount of storage area available, how hot you want to be, and how wet you want to get. Yes, how wet you want to get. Some of the breathable rain gears such as Frogg Toggs were really designed for walking around in the rain but not sitting in it. The design of your motorcycle’s seat will determine what type of rain suit you should wear. If your seat is a bench type there is no area for water to build up under your butt. You could probably get away with a breathable pair of rain pants. If your seat is hollowed out to cradle your butt it will also trap water and chances are the water will seep through a breathable material and you will get wet. Solid vinyl type materials are best if you are going to be sitting in water. The down side of solid vinyl is that it doesn’t breathe and you will be hot. A vinyl suit may be a good feature in the winter, but not in the summer. Another thing to consider is visibility. How visible are you going to be with that rain suit on now in the rain? The car drivers are now having a hard time seeing because of the rain. Is your rain suit made with bright colors? It should be.

If your rain jacket is not bright and your motorcycle jacket is, consider wearing your rain jacket under your motorcycle jacket if it will fit. That way you get the advantage of staying dry under your motorcycle jacket while still having the outer protection and visibility of the motorcycle jacket. An expensive motorcycle suit usually has the rain protection, crash protection and visibility built in to it, but again is usually hot in the summer. The choice is yours. I thought I would just give you a couple of possibilities to think about. The rains will be coming so get prepared ahead of time.

We are here to assist you with your training needs.

Florida District Riding and First Aid/CPR classes are available upon request to maintain your Levels status.

For ARC (Advanced Two-Wheel Riding Courses) or for TRC (Trike Riding Courses)

Eagle Wings Motorcycle Association

Our Vision:

A simple, fun, riding, social association of like-minded motorcycle enthusiast

Our Motto:

Friends for Fun, Safety & Riding

Our Mission:

To provide to our Membership a fun and social environment that focuses on the love of motorcycling.

To bring the world together around that passion while helping them to be safer and mindful when riding a motorcycle.

To be a family-oriented, non-religious, non-political association, respectful of each other's beliefs.

Enjoying the ride together with like-minded motorcyclists.

Our Core Values:

FAIRNESS: All issues should stand the test of "is it fair?"

COMMUNICATIONS: The more we share information and communicate about our common love of motorcycling, the more we will all learn and benefit.

TEAMWORK: Working together forward our common vision, motto and mission keeps us focused and gives us the ability to become exceptional.

QUALITY: To be the best we can, treating all the way we would want to be treated, holding each other in highest esteem and respect in all we do.

ATTITUDE: We are each responsible for our own attitude. Strive to be positive, constructive, respectful, enthusiastic and creative in all interactions with members or public to enhance the relationship and promote our motto.
